

Case the Place

- Targets casual. The cruel twists of fate are unkind to the misfortunate.
- Method: Bombing X (too regulated & suspicious)
- Biological Warfare X (too impatient, requires extensive knowledge, finances, and equipment)
- Serial Murder X (too personal, too much evidence, early caught, few kills)
- Mass Murder/Spree ✓ (Maximum casualties, easily performed w/ firearms although primitive in nature. No fear of consequences, being caught 99% certain)

- Venue - Airport or Movie Theater.

Airport X Substantial security. Too much of a terrorist history. Terrorism isn't the message. The message is, there is no message. Most folks will misinterpret correlation for causation, namely relationships and work failure as causes. Both were expediting catalysts not the reason. The causation being my state of mind for the past 15 years.
